

BAIC

X55

**BUILT FOR WHERE
LIFE TAKES YOU.**

PETROL POWER. REFINED DESIGN.

Life moves quickly. The BAIC X55 is engineered to keep pace.

With confident performance, bold design, intelligent technology, and refined comfort, the X55 delivers a driving experience designed for modern life.

CONNECTED & IN CONTROL

The X55 combines intuitive technology with everyday convenience, featuring a dual-display system, wireless Apple CarPlay™, smartphone connectivity, wireless charging and multifunction steering wheel controls for a seamless, connected driving experience.

RE-HEV HYBRID

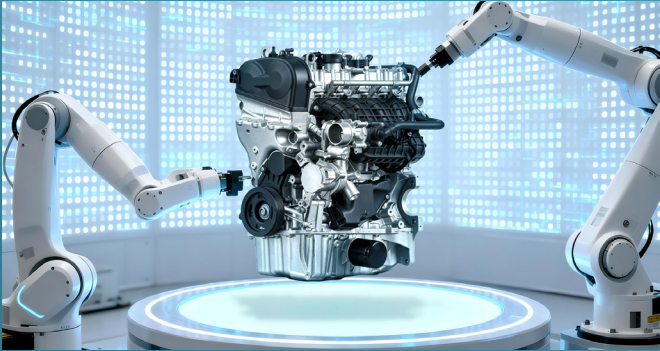

SMART HYBRID POWER, SEAMLESS PERFORMANCE.

POWERFUL	EFFICIENT	SMOOTH
160 kW electric motor	5.8 L/100 km WLTP combined	0–100 km/h in 8.3 sec
310 Nm peak torque	53 L fuel tank	Zero power lag
77 kW petrol engine	40% thermal efficiency	Seamless acceleration
132 Nm engine torque	Up to 904 km NEDC combined range	Peak torque in just 0.5 sec

RE-HEV TECHNOLOGY

The battery powers the motor at low and medium speeds, while energy recovery recharges the battery during coasting. At higher speeds, the engine drives the generator to power the motor and recharge the battery.

ENGINE TECHNOLOGY

Atkinson Cycle • Variable Valve Timing • Intelligent Water Pump • Rapid Warm-Up • Reduced-Friction Design

HYBRID CABIN EXPERIENCE

Note: Interior shown is specific to Hybrid variants.
Petrol variants feature different interior configurations.

Distributor Information: BAIC New Zealand provides this specification sheet as a general guide to product information. All details are believed to be correct at the time of publication but are subject to change without prior notice. Vehicle specifications, features, equipment and colours may vary from the final New Zealand specification or may be temporarily unavailable. Images and descriptions are for illustrative purposes only; actual vehicles may differ. Fuel consumption, CO₂ emissions, range and battery-related figures are based on standardised test results and may vary depending on driving conditions, vehicle load, accessories fitted and road and weather conditions. Specifications and performance figures are based on manufacturer and/or applicable New Zealand certification data. As product development is ongoing, specifications, features and equipment may change and may not be reflected in this publication. BAIC New Zealand reserves the right to change specifications, features and pricing without notice.

This specification sheet is intended as a general guide only and should not be regarded as an infallible representation of the final vehicle specification, nor does it constitute an offer for sale of any particular vehicle.
